We want peace in the hood forcing and
fighting nah build no nation

Chorus

Here we are
You and I and he
And she and we
Born into a world of obsession
With racial identity
Well, I see you with the baby on your back
And I see you collecting fares at the taxi rank
And I see you in your bed at night sleeping
like all of us
We're all in the same dream
Have the same dreams
And then we wake again

Chorus x2

So wat sallie kop makee' my dear?
(So what is wrong in your head, my dear?)

chest)
Die past kan ons heal nou vat ons die
toekoms aan
